Bonnie Hawley
Friend of Santa Cruz State Parks
144 School Street
Santa Cruz CA 95060

Dear Ms. Hawley,

Please accept this donation of \$3,500 on behalf of Mountain Bikers of Santa Cruz (MBOSC) and the mountain biking community. These funds will be used to updating the large trail and interpretive sign in Wilder Ranch State Park near the Cowboy Coral. We have been working with Elizabeth Hammack on this initiative.

Our membership has only two requests:

1. MBOSC is involved in the design process to ensure that elements valuable to the trail using community are included on the sign.
2. That MBOSC and the mountain biking community is credited for raising funds for the sign

Mountain biking is a growing sport and enjoyed by many visitors to Santa Cruz County. We feel that good signage is valuable to help orient our guests in the park. A high quality sign is also a visible demonstration that the facilities are well kept.

Mountain bikers have been volunteering our labor to help maintain the local trails for decades. This financial contribution represents another avenue for which the mountain biking community contributes to the maintenance of our parks resources.

The local mountain biking community enjoys and supports our local parks. We recognize that partnerships with local user groups will help to ease the budget gaps in these tough economic times. We also appreciate the efforts of the local State Parks District to reach out to the mountain biking community.

I'm looking forward to a long and mutually beneficial partnership.

Sincerely,

Mark S Davidson
President, Mountain Bikers of Santa Cruz
